

BOOKS (AUTHORED AND EDITED)

1. Ramkumar, M., 2010 Integrated sequence and chemostratigraphic modelling of the Cauvery basin, South India: Lessons on petroleum exploration, reservoir characterization and scales of stratigraphic correlation. Lambert Academic Publishing AG & Co. Germany. (Under preparation)
2. Ramkumar, M., (Editor) 2009 Geological hazards: Causes, Consequences and methods of Containment. New India Publishers, New Delhi. 310p. ISBN No.9788190851275.
3. Ramkumar, M. and Jayakumar, A., (Editors) 2008 Intellectual Property Rights Demystified. New India Publishers, New Delhi. 172p. (*Standard Reference book in College of Law, University of Arizona. U.S.A.*). ISBN No.8189422871.
4. Ramkumar, M., 2000 Smart Computing under DOS. TIAL Publication. 142p. (*Served as text book for many undergraduate courses in colleges*).
5. Ramkumar, M., 2000 Smart Computing under WINDOWS. TIAL Publication. 156p. (*Served as text book for many undergraduate courses in colleges*).

PAPERS IN INTERNATIONAL JOURNALS

6. Ramkumar, M., Stüben, D. and Berner, Z., 2010 Barremian-Danian chemostratigraphic sequences of the Cauvery basin, South India: Implications on scales of stratigraphic correlation. Gondwana Res. (in press). *Impact factor: 3.728 (Rated among top 5 geoscience journals)*.
7. Ramkumar, M., Stüben, D. and Berner, Z., 2010 Hierarchical delineation and multivariate statistical discrimination of chemozones of the Cauvery basin, South India: Implications on Spatio-temporal scales of stratigraphic correlation. Petrol.Sci. Springer. v.7. pp.(in press). ISSN:1672-5107.
8. Ramkumar, M., Stüben, D., Berner, Z. and Schneider, J., 2010 $^{87}\text{Sr}/^{86}\text{Sr}$ anomalies in Late Cretaceous-Early Tertiary strata of the Cauvery Basin, south India: Constraints on nature and rate of environmental changes across K-T boundary. Jour.Earth.Sym.Sci. v.119. pp.1-17. ISSN: 0253-4126. *Impact factor:0.8*.
9. Ramkumar, M. and Sathish, G. 2009 Palaeoenvironmental and sequence stratigraphic significance of the occurrence of *Ophiomorpha irregulaire* in the Kallankurichchi Formation, Ariyalur Group, Cauvery Basin, South India. Palaeontology, Stratigraphy & Facies. v.17. pp.129-137
10. Ramkumar, M., 2006 A Storm event during the Maastrichtian in the Cauvery basin, South India. Ann.Geol.Penins.Balk. v.67. pp.35-40.
11. Ramkumar, M., Harting, M. and Stüben, D. 2005 Barium anomaly preceding K/T boundary: Plausible causes and implications on end Cretaceous events of K/T sections in Cauvery basin (India), Israel, NE-Mexico and Guatemala. Inter.Jour.Earth.Sci. v.94. pp.475-489. *Impact factor:2*.
12. Ramkumar, M., Stüben, D. and Berner, Z., 2004 Lithostratigraphy, depositional history and sea level changes of the Cauvery basin, South India. Ann.Geol.Penins.Balk. v.65. pp.1-27.

13. Ramkumar, M., 2004 Lithology, petrography, microfacies, environmental history and hydrocarbon prospects of the Kallankurichchi Formation (Upper Cretaceous, Ariyalur Group, south India). *Palaeont. Stratigr. Facies*.v.12.pp.77-100
14. Ramkumar, M., Berner, Z. and Stüben, D., 2002 Multivariate statistical discrimination of selected carbonate petrographic classifications: Implications on applicability of classification systems and predictability of petrographic types. *Inter.Jour.Geochem*.v.62. pp.145-159. *Impact factor:1.1.*
15. Ramkumar, M., 1999 Lithostratigraphy, depositional history and constraints on sequence stratigraphy of the Kallankurichchi Formation (Maestrichtian), Ariyalur Group, south India. *Ann.Geol.Penins.Balk*. v.63. pp.19-42.
16. Ramkumar, M., Chandrasekaran, V.A. and Navada, S.V., 1996 Isotopic signatures of the Kallankurichchi Formation (Lower Maestrichtian) Ariyalur Group, south India - Insights from O and C data. *Ann.Geol.Penins.Balk*. v.60. pp.67-81.

PAPERS IN NATIONAL JOURNALS AND CHAPTERS IN BOOKS

17. Ramkumar, M., Venkateswaran, S., Vasudevan, S., Karupannan, S., Gajalakshmi, T. and Sathish, G., 2010 GIS analysis of ground truth, GPS and geophysical data for identification of suitable locales of rainwater harvesting: A case of Periyar University Campus, Salem District, South India. *Jour.Earth.Sci.* (in press).
18. Ramkumar, M., Anbarasu, K., Sugantha, T., Jyotsana Rai., Sathish, G. and Suresh, R., 2010 Occurrences of KTB exposures and nesting site near Sendurai, India: A field based report. *Current Science*. (Under Review).
19. Ramkumar, M., Stüben, D. and Berner, Z., 2009 Episodic accumulation of phosphorus during Cretaceous in the Cauvery basin, South India: implications on palaeoclimate, productivity and weathering. *Curr.Sci*. v.97. pp.262-267. *ISSN:0011-3891. Impact factor:0.8.*
20. Ramkumar, M., 2009 Types, causes and strategies for mitigation of geological hazards. IN: (Ramkumar, M., Ed.) *Geological hazards: Causes, Consequences and methods of Containment*. New India Publishers, New Delhi. pp.1-22. *ISBN No.9788190851275.*
21. Suresh, R. and Ramkumar, M., 2009 An introduction to Drought. IN: (Ramkumar, M., Ed.) *Geological hazards: Causes, Consequences and methods of Containment*. New India Publishers, New Delhi. pp.155-163. *ISBN No.9788190851275.*
22. Ramkumar, M., 2009 Flooding - A manageable geohazard. IN: (Ramkumar, M., Ed.) *Geological hazards: Causes, Consequences and methods of Containment*. New India Publishers, New Delhi. pp.177-190. *ISBN No.9788190851275.*
23. Thirukumaran, V. and Ramkumar, M., 2009 Quicksand: A lesser-known geohazard but not a lesser-evil. IN: (Ramkumar, M., Ed.) *Geological hazards: Causes, Consequences and methods of Containment*. New India Publishers, New Delhi. pp.219-223. *ISBN No.9788190851275.*
24. Ramkumar, M., 2008 Cyclic fine-grained deposits with polymict boulders in Olaijadi member of the Dalmiapuram Formation, Cauvery basin, south India: Plausible causes and sedimentation model. *ICFAI Jour.Earth.Sci*. v.2. pp.7-27.

25. **Ramkumar, M.**, 2008 Carbonate diagenesis in the Kallankurichchi Formation, Ariyalur Group, south India and its implications on petroleum prospects. *Jour.Geol.Soc.Ind.* v.71. pp.407-418. *ISSN:0016-7622. Impact factor:0.4.*
26. **Ramkumar, M.**, Jayakumar, A. and Suresh, R., 2008 Understanding intellectual property rights is the need of the hour for geoscientists. IN: (Ramkumar, M. and Jayakumar, A., Eds.) *Intellectual property rights demystified.* New India Publishers. New Delhi. pp1-9. *ISBN No.8189422871.*
27. Poongodi Vijayakumar, T. and **Ramkumar, M.**, 2008 Recent developments in registration of inventions and protection of intangible property rights in India. IN: (Ramkumar, M. and Jayakumar, A., Eds.) *Intellectual property rights demystified.* New India Publishers, New Delhi. pp.25-39. *ISBN No.8189422871.*
28. **Ramkumar, M.**, Jayakumar, M., Anbarasu, K., Suresh, R. and Poongodi Vijayakumar, T., 2008 Suggested course of action for familiarization of Intellectual Property Rights. IN: (Ramkumar, M. and Jayakumar, A., Eds.) *Intellectual property rights demystified.* New India Publishers, New Delhi. pp.147-150. *ISBN No.8189422871.*
29. **Ramkumar, M.**, Anbarasu, K., Sathish, G., Suresh, R. and Venkateswaran, S., 2008 Hyperspectral remote sensing of coastal sedimentary terrains: A solution in sight for faster, reliable and cost effective environmental impact assessment? IN: (Rajendran, S., Aravindan, S. and Jayavel Rajkumar T. Eds.) *Hyperspectral remote sensing and spectral database management system,* New India Publishers, New Delhi. pp.117-129.
30. Yuvarani, S., Krishnakumar, V. and **Ramkumar, M.**, 2008 FTIR spectra of naturally occurring crystals of low temperature origin: Implications on interpretation of paleoclimate, modeling sediment diagenesis and petroleum exploration. IN: (Rajendran, S., Aravindan, S. and Jayavel Rajkumar T. Eds.) *Hyperspectral remote sensing and spectral database management system,* New India Publishers, New Delhi. pp.130-140.
31. **Ramkumar, M.**, and Neelakantan, R., 2007 GIS technology based geohazard zonation and advance warning system for geohazard mitigation and information dissemination towards relief and rescue operations. *ICFAI Jour.Earth.Sci.* v.1. No.3. pp.65-70.
32. **Ramkumar, M.**, 2007 Dolomitic limestone in the Kallankurichchi Formation (Lower Maastrichtian) Ariyalur Group, South India. *ICFAI.Jour.Earth Sci.* v.1. No.1. pp.7-21.
33. **Ramkumar, M.**, Parimalavalli, R., Anbarasu, K. and Suresh, R., 2007 Moral Responsibility of the Geoscientific Community. *Curr.Sci.* v.92. pp.1660-1661. *ISSN:0011-3891. Impact factor:0.8.*
34. **Ramkumar, M.**, 2007 Spatio-temporal variations of sediment texture and their influence on organic carbon distribution in the Krishna estuary. *Ind.Jour.Geochem.*v.22.pp.143-154.
35. **Ramkumar, M.** and Sathish, G., 2006 Integrated sequence and chemostratigraphic modelling: A sure-fire technique for stratigraphic correlation, petroleum exploration and reservoir characterization. IN: (Rajendran, S., Srinivasamoorthy, K. and Aravindan, S. Eds.) *Mineral Exploration: Recent Strategies.* New India Publishers, Delhi.pp.21-40.
36. **Ramkumar, M.**, Stüben, D. and Berner, Z., 2006 Elemental interrelationships and depositional controls of Barremian-Danian strata of the Cauvery basin, South

India: Implications on scales of chemostratigraphic modelling. *Jour.Geochem.* v.21. pp.341-367

37. Ramkumar, M., Subramanian, V. and Stüben, D., 2005 Deltaic sedimentation during Cretaceous Period in the Northern Cauvery basin, South India: Facies architecture, depositional history and sequence stratigraphy. *Jour.Geol.Soc.Ind.* v.66. pp.81-94. *ISSN:0016-7622. Impact factor:0.4.*

38. Ramkumar, M., Stueben, D., Berner, Z., and Schneider, J. 2004 Geochemical and isotopic anomalies preceding K/T boundary in the Cauvery basin, South India: Implications for the end Cretaceous events. *Curr.Sci.* v.87. pp.1738-1747. *ISSN:0011-3891. Impact factor:0.8.*

39. Ramkumar, M., 2004 Dynamics of moderately well mixed tropical estuarine system, Krishna estuary, India: Part IV Zones of active exchange of physico-chemical properties. *Ind.Jour.Geochem.* v.19. pp.245-269.

40. Ramkumar, M., 2004 Dynamics of moderately well mixed tropical estuarine system, Krishna estuary, India: Part III Nature of property-salinity relationships and quantity of exchange. *Ind.Jour.Geochem.* v.19. pp.219-244.

41. Ramkumar, M., 2003 Porosity types in carbonates as indicators of environments of deposition and diagenesis: A case of Kallankurichchi Formation, Ariyalur Group, south India and implication on hydrocarbon prospects. *Ind.Jour.Petrol.Geol.* v.12. pp.25-39.

42. Ramkumar, M., 2003 Geochemical and sedimentary processes of mangroves of Godavari delta: Implications on estuarine and coastal biological ecosystem. *Ind.Jour.Geochem.* v.18. pp.95-112.

43. Ramkumar, M., 2003 Progradation of the Godavari delta: A fact or empirical artifice? Insights from coastal landforms. *Jour.Geol.Soc.Ind.* v.62. pp.290-304. *ISSN:0016-7622. Impact factor:0.4.*

44. Ramkumar, M., 2001 Sedimentary structures and depositional conditions of the Kallankurichchi Formation (Lower Maestrichtian), South Indian Cretaceous sequence. *Jour.Ind.Asson.Sediment.* v.20. pp.85-96.

45. Ramkumar, M., Pattabhi Ramayya, M. and Rajani Kumari, V., 2001 Dynamics of moderately well mixed tropical estuarine system, Krishna estuary, India: Part II Flushing time scales and estuarine mixing. *Ind.Jour.Geochem.* v.16. pp.75-92.

46. Ramkumar, M., 2001 Sedimentary microenvironments of modern Godavari delta: characterization and statistical discrimination - Towards computer assisted environment recognition scheme. *Jour.Geol.Soc.Ind.* v.57. pp.49-63. *ISSN:0016-7622. Impact factor:0.4.*
